Pope John Paul was chosen as Holy Father on August 26, 1978. His first full day as Pope was the day we celebrated our Centennial. His 34 days as a smiling Holy Father will be a lasting sign as he has gone to Heaven to tell Paul VI, Saint Peter and Christ and the Church in Heaven that the Church on earth is still suffering and awaiting the coming of Christ in glory.

Dear Father Gavron:

It is my privilege to inform you that the Holy Father, Pope Paul VI, conveys his Apostolic Blessing on the occasion of the Centennial of the parish of Saint John the Baptist in Scottdale, Pennsylvania. This favor is extended to all who comprise St. John the Baptist community as well as those who will join in the Jubilee celebration on August 27, 1978.

A parish is at the heart of the Church. Here a people is fashioned into a vibrant entity by Word and Sacrament, by common Faith and shared living. His Holiness thanks God that St. John the Baptist church has been a vehicle of God's choice gifts for 100 years, and that it has had such dedicated pastors as Father Lambing and Father Patrick Graney. He is also grateful to the Lord for the 22 priestly vocations and the forty-four sisters whose vocations have been nurtured by the parish.

As the future is embraced, the Holy Father encourages St. John the Baptist parish to develop a deeper awareness of the wider unity of faith, worship, and love which it has with the whole church. Such a consciousness is a consolation, but it also makes demands. In particular, it calls our attention to the needs of the missions and of poor people everywhere.

To the Blessing of the Holy Father, permit me to extend a personal word of congratulations and best wishes. It is my prayer that the Lord, through the intercession of Mary, His Mother, will continue to enrich the lives of all.

With cordial regards, I remain

Sincerely yours in Christ,

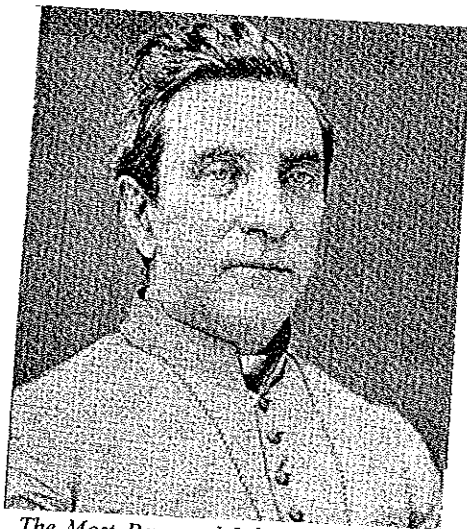

+ Jean Tardot

Dear Father Gavron:

You and your people are blessed in celebrating a century of Catholic life in Scottdale. I feel a very special part of this celebration, as my father's people were part of the pioneers there. My grandmother, who brought the family out of Ireland, died in 1883, the year after the first Parish Church was built. She is buried in the family plot in the Parish Cemetery.

Unique is the fact that two pastors account for more than 75 years of service to the Parish. After less than a year in the beginning, Father Thomas McEnrue was succeeded by the beloved Father Michael A. Lambing. His tenure of 52 years is the longest for any priest in this diocesan area.

The modern pastors, Monsignor Schneider, Monsignor Schroth and yourself, followed the 26 years of the ministry of Father Patrick J. Graney. Each pastor, supported by able associates, nurtured the faith of the people to give us one of the strongest parish units in the Diocese.

Nor can we ever forget the work of the Sisters of Charity there. For 89 years Saint John the Baptist School has been a landmark in the community. For a decade, 1923-33, a high school program, the first Catholic high school in Westmoreland County, served the area.

The Depression of the early 30's was especially severe. It closed both school programs for nearly a decade. The grade school opened again in 1941. Father Graney struggled to sustain his people during this bitter experience.

1962 was a special year in the Parish. The last Mass in the old Church was offered on June 20. The new Church and School were dedicated July 14, 1963. Many feel the Parish is about ready for a new Church building to separate areas for the worship and the social programs for the parishioners.

The Parish is well known for the sacrificial spirit of its people. Hundreds of families stem from the many marriages blessed there this past century. Here is the primary reason for which any Catholic Parish exists.

22 priests, 2 religious brothers and 44 religious sisters call Scottdale home. 32 of these Sisters serve the apostolate of our beloved Sisters of Charity of Seton Hill. These form that "servant Church" which Vatican II describes as the support of families struggling to raise children in the fear and love of the Lord.

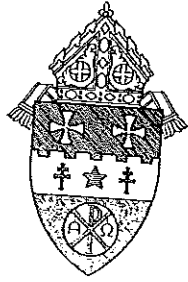

May the second century be as blessed as the first.

Devotedly yours in Christ,

Wm G Connare
Bishop of Greensburg

Dear Father Gavron:

Saint John the Baptist Parish, Scottdale, has been a bastion of faith for one hundred years. The question comes, was it because of the service of two remarkable pastors, Father Lambing and Father Graney? Or did they rise to the heights of pastoral zeal because of the faith of the people they found there? Both opinions could be debated.

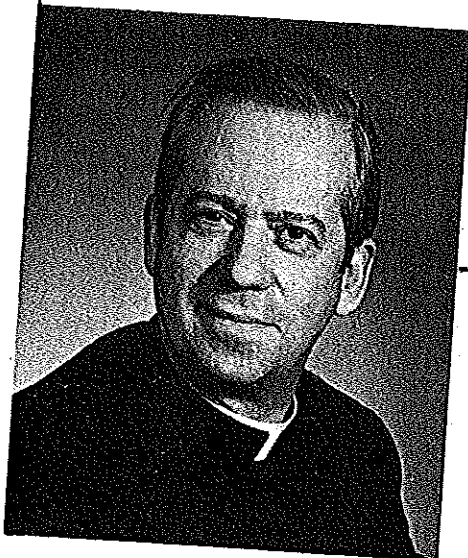

But possibly the answer is, it is the people who make the priest and the priest who helps to shape the people. The remarkable record of Catholic education in the grade school and in the now defunct high school is a tribute to both. The number of religious vocations is a sign that the parish gave to the Lord as it received.

Best of all, however, is the continuing story of Christian homes and families which have made Saint John the Baptist Parish, Scottdale, outstanding as a community of faith. May I felicitate you and your people on this event in the life history of your parish.

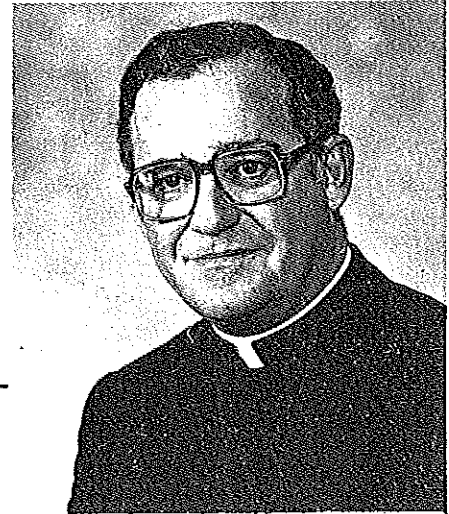

With every best wish, I am

Feast of St. John the Baptist
June 24, 1978

Dear Parishioners and Friends:

We celebrate 100 years of the Parish of St. John the Baptist, Scottdale, in prayer, in joy and in hope.

In the first century of the Universal Church established by Jesus Christ, the Acts of the Apostles records: "The whole group of believers was united, heart and soul."

Our unity in prayer in our first century of St. John the Baptist Parish from 1878 to 1978 records 22 priests, 44 religious sisters, 8,017 Baptisms, 3,315 Marriages, 4,423 Burials. Every day one or two priests offered Mass at St. John's, and in 100 years that would be close to 100,000 Masses offered for the living and the dead.

In life and in death we belong to the same Lord Jesus Christ. May His Holy Spirit abide with us always.

We continue in hope to work for Christ. We look to the future of St. John the Baptist Church in Scottdale, that the name of Jesus will be known for generations to come in sharing the faith and the tradition of the first century believers who were "united in heart and soul."

May St. John the Baptist always inspire us to prepare in joy for the final coming of Christ who will take us to share in His glory.

Faithfully yours in Christ,

William M. Gavron

Dear Father Gavron,

Congratulations to you and the members of St. John the Baptist Church on the One-Hundredth Anniversary of the founding of the parish in Scottdale.

Several years ago our Borough celebrated its centennial, and it is evident St. John's has been a partner with Scottdale in the development of our community. The religious, both priests and nuns, in addition to many, many lay people, have enhanced the entire area in their desire to do the will of God.

On behalf of the citizens of Scottdale and the following Borough Officials, we extend to you and your parishioners our sincere best wishes and continued success in the performance of the commands of our Divine Master, Jesus Christ.

Saint John the Baptist Church 1881-1962

History of St. John the Baptist Parish

The beginning of St. John's dates back to the year 1870. Prior to this time, the spiritual needs of the people in the Scottdale-Mt. Pleasant area were attended by the pastor of St. Vincent's Church, Latrobe. In the Fall of 1870, Immaculate Conception Church in Connellsville was established and our area became one of its missions.

The next six years saw the development of the B & O and the Pennsylvania railroads, the building of the Furnace and Rolling Mill, the opening of coal and ore mines and the erection of the coke ovens. During this period, Mass was offered at private homes and sometimes at the Ore Mines.

In March, 1876, "The Little Church on the Hill" (the present site of St. Joseph's in Everson) was purchased to better serve the needs of the rapidly growing population. Two years later, it was decreed that the "mission" become a separate parish with definite bounds and that St. John the Baptist be its patron saint. We had truly begun. Fr. Thomas McEnrue was appointed as our first pastor in September, 1878. His pastorate continued until the appointment of Fr. Michael A. Lambing in July, 1879.

The congregation continued to grow at such a rate that an addition, known as "The Kitchen" became a necessary addition to the church. Still the need of an even larger church was imperative.

Lots on S. Broadway were bought for the new building in March of 1881 and the contract awarded for the erection of a red brick building with a seating capacity of 400. The cornerstone was laid in May of the same year. A small frame house was also built for the pastor. The congregation began using the new church as soon as the floor was laid. Dedication services were held September 3, 1882.

St. John's cemetery consists of two five-acre sections divided by Hornertown Road. The old section on Rt. 819 was dedicated in 1883; the huge granite cross was erected there in 1914. The new section on Loucks Lane was dedicated in 1949.

Our parishioners now numbered about 2,500 and were pentecostal as to tongues and lived in a radius of many miles from the church. Within the original boundaries of our parish, the following churches evolved: St. Joseph's, Everson; Transfiguration, Visitation, and Pius X (formerly St. Joseph's and St. Bernardine's), all in Mt. Pleasant; St. Stanislaus, Calumet; St. Florian's, United; Forty Martyrs, Trauger and St. John the Baptist Byzantine Church, Scottdale.

In May, 1889, land was purchased for a convent and a four-room brick schoolhouse. The school was opened in September of that year with the Sisters of Charity from Seton Hill as teachers; they resided in the newly built convent. The Sisters of Charity have been the only Order to be with our school through the years.

The community continued to expand with new industries and so did our need for adequate facilities for the school children. The Total Abstinence Society Hall on S. Broadway, erected in 1891 under the direction of Fr. Lambing, was used to provide more classrooms.

A new rectory was built at the corner of Church Street and S. Broadway in 1893 and remained in use until 1962.

The parish continued to grow and in 1906 it became necessary to add an annex to the church. Also, an expansion of the school was made in 1914 and again in 1917. Besides having an eight-grade elementary school, ours became, in 1923, the first Catholic High School in Westmoreland County.

In April, 1931, having served St. John's for fifty-two years, Fr. Lambing died. Fr. Patrick J. Graney succeeded him in July of the same year. When the Great Depression struck the nation and the parish, one of his most unhappy tasks was to close the high school forever in June, 1933, due to lack of funds. The following year the grade school was also forced to close its doors; it was not to reopen until 1941. Eighth-grade graduates who wished to continue their Catholic education attended Immaculate Conception High School in Connellsville. At mid-term of 1964, the newly built Fr. Geibel High School, a diocesan school staffed by several religious orders, including the Sisters of Charity, as well as lay teachers opened for grades nine through twelve. Since then, our area students have the option of attending school there.

In 1951, the Diocese of Pittsburgh was divided, and St. John's became a part of the Diocese of Greensburg under the leadership of The Most Reverend Hugh L. Lamb. He died in 1959 and was succeeded by our present Bishop, The Most Reverend William G. Connare, in 1960. The Most Reverend Norbert F. Gaughan was appointed Auxiliary Bishop in 1975.

After twenty-six years of devotion to St. John's Fr. Graney passed away in November, 1957. In March, 1958, Fr. Andrew J. Schneider assumed the pastorate and immediately began charting plans for the redevelopment of new structures for St. John's. These included the building of a church-school on the site of the old rectory and the already present church and the buying of property for a new rectory.

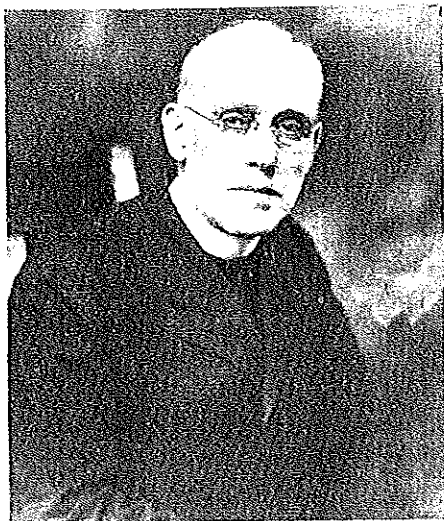

Fr. Schneider was transferred in December, 1960; Fr. Gerald A. Schroth replaced him as pastor, and implemented the plans of his predecessor. Early in 1962, the building campaign was launched. A residence located on the corner of Church Street and S. Broadway was purchased and completely renovated. This became the new parish house. The old rectory and church were razed; the building of the church-school was begun. During the time of construction, the cafeteria and auditorium of the old school served as temporary church quarters, and still retained its teaching functions. In March, 1963, the cornerstone for our present two-story church-school was laid; the ground level being the church and the upper floor the eight classrooms. Masses were said in the building for the first time on May 12, 1963; the children were in their new classrooms that Fall.

Fr. Schroth was made Monsignor in May, 1962. He died in September, 1972. Our current pastor, Fr. William M. Gavron, a former assistant at St. John's was appointed to take Monsignor's place in October, 1972.

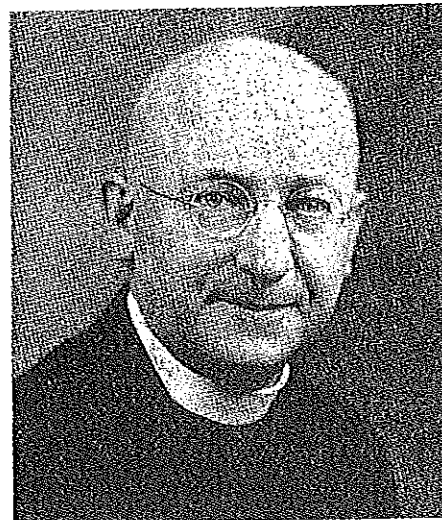

Demolition of the old school began in the Spring of 1976; the land on which it stood has been paved and is now a parish parking lot. In May, 1978, two parish-owned buildings on property adjacent to the convent were demolished. Soon the convent, too, will be razed, providing St. John's with a site for the erection of a new church. When this is accomplished, the facilities of the school will encompass the use of the entire present building.

The celebration of our centennial year finds us looking back on a hundred years of history rich in service, love, gratitude and true devotion to God and His people. It also inspires us to continue this pattern into the next hundred years.

Acknowledgment

We express our thanks to the committees who shared in the Centennial celebration in a full year of special events. We express our gratitude to those people who were involved in putting together this commemorative book. We especially thank our many Patrons of the Parish and local businesses. And for all of our parishioners who make up our family of St. John's, we express special thanks for sharing our past history, our present lives and our future hopes.
